2010-11 Representative of the Faculty of Philosophy to the Senate of the University of Crete
2000-4 Deputy Member of the Administrative Council, European Cultural Centre of Delphi.

❖ CURRENT RESEARCH INTERESTS

The focus of my research in recent years has been on choral performance, its artistic context and its ideological and political agenda. While still pursuing several aspects of chorality, my chief project currently in progress is a study of attitudes to art, lifestyle and leadership in the late 5th century as reflected in prose and Attic drama. The intended outcome of my research into the late 5th century is a book-length study which, in addition to new material, will incorporate part of my research which has been already published or is forthcoming.

In addition, the following volume and articles are currently in preparation:

- *Plutarch's Cities* (co-editor with Frances Titchener), collection of essays stemming from an international symposium held in April 2013.
- 'Athenian Monumental Architecture, Iconography and Topography in Plutarch's *de gloria Atheniensium*'.
- 'Η τραγωδία του Ευριπίδη και το καλλιτεχνικό της συγκείμενο. Μεθοδολογικά ζητήματα', σε προετοιμασία για τον τόμο Ε. Ταμιωλάκη (επιμ.) *Μεθοδολογικά ζητήματα στις κλασικές σπουδές. Παλαιά προβλήματα, νέες προκλήσεις*, ΠΕΚ
- 'Representations of the Worship of Peace in the Athenian Theatre: from Euripides' *Cresphontes* to Aristophanes' *Peace* and Beyond'
- 'Λατρεία και πολιτική στον *Ερεχθέα* του Ευριπίδη'.
- 'Fragmented women in Euripides' *Erechtheus*' (working title) to be submitted to a volume ed. by P. Finglass and L. Coe.
- 'Chorality', in preparation for the volume L. Swift, ed., *A Companion to Greek Lyric*, Blackwell, forthcoming.
